Schematics

Schematics are available for most vintage radios, from Admiral to Zenith. When ordering, please indicate the brand and model number. (\$4.00 including shipping.)

Rider's Manuals

We have a good selection of Rider's service manuals. Contact us with your specific needs.

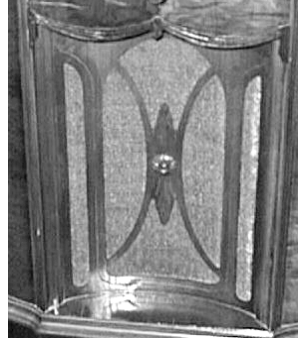

Replacement Grills

We now have available replacement grills for the following radios. These are accurate copies of the original radio grilles, and are ready for your own finish to be applied.

Zenith 12 A 58 "Torch and Wreath" \$235

Zenith 12 A 57 with 3 dimensional rosette \$235

Atwater Kent Model 165 \$70

Zenith 7G605 Log Chart

Our Log chart is an exact replica of the original. Measuring 15.5" x 5", it is printed with black ink on glossy white paper, then laminated to heavy cardstock. Because of variations from radio to radio, we have left it to you to punch your own mounting holes. \$9.00

Zenith 7G605 Reproduction Brochure

2 page 8 1/2x11" color laser photocopies of the original brochure for the Classic First Zenith Transoceanic from 1942 "The Trans Ocean Clipper". This is a faithful repro of the original brochure in black, orange and white. Also included is a copy of the original letter on a Zenith Corporation letterhead to the Zenith serviceman with a copy of the schematic. \$15.00

Zenith Radio Knob Reproductions

Our reproduction parts are of the highest quality available.
A few of these knobs are original, and are in short supply.)

* indicates knob is black.

Other Reproduction Parts and Services

Radio Dial Belts

This 1/8" cross-section radio dial belt material works for nearly all radios requiring a dial belt. Just cut the size you need, and put it together with a cyanoacrylate adhesive ("Super Glue"). This can be installed on a radio *with no chassis disassembly*. Instructions are included. The belt material is 90¢ per foot. (6 foot minimum purchase.)

Transoceanic 7000 Belts

We have the hard-to-find toothed dial belt for the Zenith 7000. \$5.00 each.

Dial Glass Gasket Material

We offer excellent replacement gasket material for the dried out or missing gasket for your 1939 and newer Zenith dial glass. \$3.00 per foot.

1942 Zenith Dial Glass Replacement

The 6, 7 8, 10 and 12 tube rectangular glass can now be replaced at a reasonable cost. We have Lucite reproductions of that part. Please indicate Model # or tube count. \$16.00

Self Adhesive Felt Pads

Use these *extra thick* felt dots on the bottom of table radios, lamps or whatever may scratch or mar your furniture. These dots are twice the thickness of those commonly available. (#1) 48 Brown felt dots \$3.00 (#2) 48 White felt dots \$3.00

Rubber Donut Chassis Cushions

For your Zeniths and other brands: high-quality rubber chassis shock mounts to replace your tired or missing. \$1.40 each.

Radio Grill Cloth Reproductions

Zenith Tee Shirts

We have obtained permission from Zenith to offer their logos and artwork on these fine, 100% cotton tee shirts.

Zenith Logo

This is an all-cotton shirt with the Zenith logo:

White: Silk-screened in black ink on a white shirt. \$14.95
Specify size: L, XL, XXL, XXXL

Black: Silk-screened in ivory ink on a black shirt. \$14.95
Specify size: L, XL, XXL, XXXL

Red: Silk-screened in black ink on a Red shirt, (Very popular seller at shows.)
\$14.95 Specify size: L, XL, XXL, XXXL

Zenith Robot Dial

Features an ivory-colored dial with the tuning eye and logo in green. Silk-screened on a black all-cotton shirt. \$14.95
Specify size: L, XL, XXL, XXXL

To keep your tee-shirt looking new, we recommend hand or machine washing on cold or warm water, not hot. Do not use liquid bleach or detergents with bleach. Air or line-dry only—drying with heat will shrink the shirt and damage the imprint. Do not iron or dry clean.
